Greenwood Community Centre
1a School Road, Hampton Hill
TW12 1QL

We have provided hundreds of thousands of hours of support to local people over the years. The support we offer to many has become a vital lifeline to keep people safe at home and help them to stay living in the community they love.

Providing support direct to the doorstep, running two minibuses and Greenwood Community Centre are core services that we want to continue to offer and also develop new services in response to local need.

Our charity is funded, primarily by grants and small donations and as they say, “every little bit counts”.

We have been running a “Regular Giving” scheme for many years and we would like to invite you to consider joining it to help support the work we do. Unlike funds raised by grants, small donations and regular giving is not restricted to what we can use it for and is therefore extremely useful to help us deliver some of the services we want to develop or to maintain the community centre.

If 120 people donated £2 a month, that is no more than a cup of coffee a month, then we could raise £2,880 a year. That could help to fund:

- 480 welfare parcels delivered to peoples doorsteps,
- contribute over 400 hrs of telephone support to isolated people,
- 5 months utility bills for the community centre or
- Provide 1/3rd of the cost of replacing carpets in the centre

If you would like to support the work we do by providing a regular donation please complete the:

- Standing Order mandate and
- Gift Aid declaration if you are a current UK taxpayer

Return the completed forms to the H&HHVC office at Greenwood Community Centre. THANK YOU – we really do appreciate all the support you can offer.
